## **The 5MHz Newsletter (No.8 Autumn 2013)**

The latest edition of The 5 MHz Newsletter - No 8 Autumn 2013 - is now available.

As well as the latest 5 MHz news, there are also features on emcom messaging with an international dimension, RSGB 5 MHz consultation, new URL for Hack Green SDR, more 5 MHz Analysis, South African 60m Activity Weekend with temporary Beacon and 5 MHz crystals. Wrapping it up is news of a Internet TV interview with IARU's Larry Price, W4RA, explaining the workings of WRCs and the ITU.

It's downloadable free from [tinyurl.com/ouaav6](http://tinyurl.com/ouaav6)

---

## **Philippines Typhoon Disaster**

Ramon DU1UGZ, of the Philippines Amateur Radio Association (PARA), said its Ham Emergency Radio Operator or HERO network is working inside the disaster areas, and sending messages on HF and VHF elsewhere in the archipelago. The Pilipino National Telecommunications Commission (NTC) has now used the HERO network for several messages. The NTC has also decided to provide hams in the area with mobile rigs and hand-held portables.

---

## **New Amateur Radio Satellites in November**

Over the next two weeks three new satellites will be deployed. Two of the satellites will provide 435/145 MHz linear transponders for SSB/CW communications. A full list of amateur satellites to be launched can be viewed on [bit.ly/1cmHSIq](http://bit.ly/1cmHSIq)

---

---

## **DX News**

Two Czech operators, OK6DJ and OK1FCJ, will be QRV from Burkina Faso from 17 – 26 November. They will use the callsigns XT26DJ and XT2FCJ. They plan to be on all bands 160 – 10m. QSLs will be handled by OK6DJ.

A number of European amateurs will travel to the Ivory Coast and sign TU5AX, TU5XV and TU5NK from 17 – 30 November. Look for them on 160m – 6m CW,

SSB and RTTY.

A multi-national team is on its way to activate Swaziland from 16 – 27 November. The callsign is 3DA0ET and their QTH is a rustic lodge near the town of Piggs Peak. They will be on all HF bands as well as 6m. They will also take part in the CQ WW CW DX Contest on the weekend of 23/24 November. The QSL Manager is N7RO.

An expedition to the Laccadive Islands (also known as the Lakshadweep Islands) will take place for about 14 days during the period 20 November – 10 December. The callsign will be VU7AG and operation will be from Agatti Island. This is quite a rare DXCC location and it is planned to have 3 stations running a minimum of 400w on all bands 160 – 10m using CW, SSB and RTTY. QSLs will go via W4VKU.
